Re: Pete Stark Re-Election Committee C 00020974

Dear Ms. Baker:

Attached is an amendment to the first quarter report for 1998 to include a VISA charge of \$20 paid on March 2, 1998. This charge was inadvertently omitted from the first quarter report and I would like my FEC records to reflect this change.

I have attached a corrected copy of page 2 for line number 17 for the first quarter 1998 report and also amended the summary page for the interim report (4/1/98 to 5/13/98).

Thank you for your assistance in this regard.

Sincerely,

Pete Stark, MC
